

ABOUT SSIMS

SSIMS Home Health Care is a trusted healthcare service provider dedicated to delivering professional medical care at the comfort of your home.

With strong experience in healthcare and medical training, we ensure every patient receives safe, reliable, and compassionate care tailored to their needs.

We believe that recovery is faster and more comfortable in a familiar environment — your home.

Our Mission

To provide high-quality, affordable, and patient-centered home healthcare services across Tamil Nadu.

Our Vision

To become a leading and most trusted home healthcare provider, improving the quality of life for patients and their families.
